Col. Duncan Urges Preparedness as Guard Against Attack

Says U. S. Is World Target

Nation Chief Obstacles To Aggressors and Therefore First Foe

"The United States must be considered as a potential menace by any aggressor nation intent on war and so therefore would be the first objective in any world wide conflict."

So declared Colonel Claude Duncan, commanding officer of the Long Beach Air Reserve Detachment and in charge of the civilian components of the U. S. Air Forces from Fresno to the Mexican border, in his address at a sponsored meeting of Post 34 of Palm Springs AMVETS in the El Paseo Theater last night.

IT WAS HIS personal opinion that the present war scare that followed President Truman's speech last week and the comments made via radio and metropolitan newspaper columns isn't quite as bad as it appears. Col. Duncan feels that the re-imposition of selective service on a partial basis and the institution of Universal military training will indicate to any aggressor nation, including Russia, that this country will fight.

He said that it may become necessary to fight if the Soviet government continues its policy of expansion in Europe and it would be best to be prepared for that eventuality.

"IT WOULD BE BEST," declared Col. Duncan, "to pay the small comparative sum for the maintenance of a large standing military force which may act as a deterrent to an aggressor nation intent on war, than to pay the awful price of war itself in gold, materiel and precious lives."

In this same vein the speaker added that it would be best to stand with those nations who are against communism than to wait until they are absorbed by Russia and then stand against the world by ourselves.

HE INDICATED that there is nothing like an informed public and that individuals should select a man in whom they can place their trust in the guidance of opinions relative to conditions in Europe.

"As for myself," continued the officer, "I cannot think of a better qualified person than General Marshall, now secretary of state, See WORLD TARGET, Pg. 8

This Side Of The Sun

By Phat

It's tough to hardly do a thing. I've got that fever known as Spring.

Gentle Spring hit town Sunday at 9:57 a.m. . . . Slightly off schedule but it wasn't her fault . . . In the first place she was a day early . . . (Wonder why they call Spring "She"? . . . And also an hour late . . . (Now "she" is right) . . . But the earliness can be blamed on Leap Year and that extra day in February . . . And the hour's delay is due to Gov. Warren and his tinkering with the clocks . . . Outside of California, Spring arrived at 8:57 as scheduled.

BUT IN PALM SPRINGS, it was just a date on the calendar . . . Didn't have to blow much dust off that expression . . . I use it every time the season changes . . . Meaning that in Palm Springs there are only two seasons . . . Spring and Summer . . . I would have said one season—Spring . . . But too many readers are here in July and August . . . And while on the subject of Spring, msut set some people right on Hot Cross buns which are due this week . . . They're an old pagan custom going away back when . . . They were in honor of the moon goddess and were eaten in the season of the vernal equinox . . . When Easter took the place of the Pagan Spring festivals, the Christians took over the buns, too . . . That's the way I get after reading the Sunday supplements.

THE WAY Palm Canyon drive is crowded this week makes me think I ought to revive a former campaign of mine . . . It didn't get far when first proposed but I still think it is timely . . . They should amend the California Vehicle code to take in pedestrians . . . Make it compulsory that users of the sidewalks be equipped with stop lights, tail lights for night walking, make them signal for turns and stops and, at night, make those who have imbibed too deeply, dim their headlights See THIS SIDE OF SUN, Pg. 8

Car Clouters Get Rich Haul Here Saturday

"Car clouting" continues unabated from one weekend to the other in the Village with the largest haul by auto sneak thieves reported Saturday.

The biggest "take" consisting of clothing and camera equipment amounting to \$1624 was reported by John A. Rowan Jr., Village visitor from 1914 Colonial street, Philadelphia.

He told Police Officer Harry Houghton, investigating the theft, that he had parked his automobile on a lot at 425 South Indian avenue Friday night at 9 p.m. The next morning at 9:30 a.m. he found that a car clouter had gained access into his locked automobile by knocking out a window. Gone was a Leica camera, motion picture camera, photographic attachments, film and clothing valued at \$1624.

N. F. Albrecht, 236 Viewmont avenue, Seattle, visiting at 412 West Arenas, reported the theft of two fender pants from his automobile stolen sometime during Saturday night or early Sunday morning.

Houghton yesterday said that \$220 in traveler's checks and a coat to a suit stolen from the automobile belonging to John A. Rowan, Jr., was found behind an adobe fence at 368 South Palm Canyon drive Sunday night.

Lions Cup Awarded District 2

All good things come to him who sometimes waits—but patiently.

This old adage was illustrated again Saturday when Councilman Ted Martel officially received the promised trophy, top prize of the Clean Up campaign last Fall.

It was Councilman Ted Martel whose district was declared as the most spotless at the end of the contest.

The cup was put up by the Lions Club which sponsored the drive to clean up the Village under general chairmanship of Harold Hicks. The cup was presented to Martel by Ray Sorum, president of the Club, with Bob Bennett, campaign man-power chairman; Mrs. Madge Holderman, co-chairman and Albert Potencio, representing the Agua Caliente Indian band looking on. Present also was Harold Hicks.

Since the campaign ended, the city council has declared the citizen's committee headed by Hicks as an official body of the Village government with the power to make recommendations relative to keeping the town clean of debris, rubbish and other unsightly things.

'Tis Spring Comfortable Maximum Of 70 Greets Season

Spring arrived in Palm Springs and the rest of the state at 9:57 a.m. Saturday, but its arrival didn't make as much difference here as in the other sections of the state. The transition from Winter to Spring wasn't noticeable.

Arrival of Spring was one day earlier than customary because of Leap Year while it was an hour later—PDT—because of daylight saving.

The first day of Spring found the maximum perching at a comfortable 70 while the minimum was just right for sleeping—48.

To Celebrate Wedding Day in Western Style

True Villagers to the core, even to the celebration of their 35th wedding anniversary which will be done up in true western fashion next Friday evening, are Motion Picture Producer Sol Lesser and Mrs. Lesser.

Ninety-two guests, all long life-time friends of the couple are traveling all the way from Hollywood, San Francisco and New York to honor Mr. and Mrs. Lesser next Friday night.

THE CELEBRATION will take the form of a desert barbecue, complete with chuckwagon, tally-ho and hay-wagon transportation and group singing all with a Western Village flavor.

Doing the impossible, rooms during the height of the Easter Week celebration have been reserved for the visiting guests. All who attend will be dressed in Western gear and the honorees attired in pure white costumes.

Johnny Boyle has been engaged to do the singing during the feast on the desert. Trav Rogers together with his "Hello, Hello, Hello," will be on hand to do the catering. Group singing and dancing will be an added feature of the night's entertainment.

THE LESSERS who are home owners here are not new to Palm Springs. This season Mr. Lesser was banished from Hollywood by his physicians, who insisted that he get away from the hustle and bustle of his studio in the cinema world following a desperate illness that confined him to a hospital for several weeks.

He and his wife intend to stay in the Village until the end of May and although Lesser has been enjoying the comparative quietness of his desert home, he has not remained idle during his convalescent period. Since here he completed the cutting of his latest production "Tarzan and See WEDDING DAY, Pg. 4

Vacationing Throngs Fill Palm Springs

Biggest Crowd of Season Here for Easter Holidays

Easter vacation in Palm Springs!

The lure of the desert and the Village proved too much of a magnet with the result that the town's visitors for the week are overflowing from Banning to as far south as LaQuinta and Indio.

A representative cross-section of hotels and apartment houses in the Village reported yesterday that even a shoe horn couldn't squeeze another guest into their establishment—and the crowd isn't all here yet.

THIS WEEKEND is expected to be the biggest in the history of the Village from a standpoint of week end visitors. Parents and their Easter school vacationing children are thronging the town's streets. The off-springs range from the grammar school age to those of college.

Another indication of the crowded conditions of the town already, with more to come, is the congestion of traffic on Palm Canyon drive and Indian avenue.

Everything points to the fact that Palm Canyon drive will take no back seat in the Easter parade that will take place Sunday along with those on Fifth Avenue, New York and across the country to San Francisco and Hollywood.

RESTAURANT and cafe operators reported the biggest business of the season enjoyed so far.

Odd as it may seem to the visitors from the East in Palm Springs, vacationers are bedecking themselves in gaily colored Western gear which may be the dominant theme on Easter Sunday. Without a doubt the chic little hats and milady is wont to wear on Easter Sunday will make their appearance, too, along with the sombreros.

Bus Stop

Tickets Going to Many Violating School Law

No warnings are being given nor excuses taken so far as the citations being handed out by Motorcycle Officer Howard Poe for a certain type of traffic violators are concerned.

The type of motorist that Officer Poe has reference to and to whom he is handing that invitation to "see the Judge" are those who pass school buses stopped to allow children to board or de-board.

"And that goes," declared Poe, "for those motorists who are intent on passing the bus from the opposite direction, too."

During the past two weeks, without any fanfare, or announcement drive against this type of violator, Officer Poe has gone quietly writing dozens of tickets in the safety drive.

The law reads that no motorists shall pass a school bus from which children are disembarking from either direction.

Success

Circus Receipts to Near \$20,000 Mark

How successful can a Palm Springs Circus be?

Well if you want to know ask Bill Grant, chairman of the 12th Annual Circus.

He will tell you, as he told this reporter, that net receipts for the four-day packed event, will closely approach \$20,000, a new record.

Donations to Red Cross Continues, Now \$17,000

Still mounting was the tally of contributions to the recent Red Cross drive in the Village.

General Chairman Chief of Police August Kettmann yesterday announced that \$17,000 had been amassed as against a quota of less than \$15,000.

MUSIC MASTER—Holly Lash Visel, director of music at Community church for five years, organizer of the Easter Sunrise Service choral units, who has resigned post and will not be here next season. (Gayle Studio Photo).

Holly Lash Visel Resigns Music Position Here

Palm Springs is going to lose its music master who for the past five years has directed the music at Community church and in civic events here, Mrs. Visel and her two sons, Nelson and Jon, will move to Iowa next fall and spend the winter there.

Since coming to the Village five years ago she has been director of music at the Community church and has been much in demand at other events in town, taking charge of choral work for various organizations and organizing a musical group which was much in demand here and in neighboring communities.

AMONG HER MOST notable musical accomplishments was the organization of the choral feature of the annual Easter dawn service. Prior to her coming here, the soloists and many of the augmented choirs were imported for the Sunrise service. She organized local talent for this event and was so successful with the choral work that the service has been broadcast nationally the past two years and will be again next Sunday.

One Board Will Serve Village Area

High School Trustees Eliminated, Elementary Board To Be Enlarged

Voters of the Desert School district and high school district will go to the polls May 21 for the first time to elect a board of trustees for the Palm Springs Unified district. Three board members will be named.

The Desert School district, comprising the elementary schools of Desert Hot Springs, Palm Springs and Cathedral City and the Palm Springs high school district were recently merged into one district.

AS A RESULT there were three school boards functioning here—the elementary board, high school board and united district board. After May 21 there will be one board.

On the Desert district board are Mrs. Melba Bennett, W. R. Hillery and Gordon Feekings.

On the high school board are Charles Burket, president, Dr. F. A. Purcell, W. R. Hillery, E. E. Theriault and Gordon Feekings.

WHEN THE UNIFIED district was formed, County School Superintendent E. E. Smith appointed Mrs. Bennett, Burket, Feekings, Hillery and Theriault to the board.

At the May 21 election the high school board will disappear and the elementary board, which takes precedence will become the unified board and be enlarged to five. As the term of Hillery expires in the elementary board, this means that three will be elected.

REGISTRATION for the school election which takes on new importance this year, closes on April 10. Last date to file announcement of candidacy for the boards is April 21.

The election will be held on May 21 with two polling places, one at Frances S. Stevens school here, designated as No. 1 and one at the Desert Hot Springs school, No. 2. The election will be called the Desert-Edom district.

ELECTION NOTICES were posted today at Frances Stevens and Desert Hot Springs schools. The polls will be open from 7 a.m. to 7 p.m.

No announcement of candidacy See SCHOOL BOARDS, Pg. 5

ECONOMIC AID in Europe and China must be supported by military assistance in some form. The State Department, the military—and Congress seem to be getting into agreement on this point. As Lt. Gen. Albert C. Wedemeyer put it when he appeared before a congressional committee last week: "We must think in terms of blood as well as treasure . . . I don't think dollars alone will stop the spread of Communism anywhere in the world."

There was considerable wrangling in the Senate when Arthur Vandenberg tried to jam through the ERP commitment of over \$5 billion. Minnesota's Joe Ball proposed an amendment to the effect that the President start immediate negotiations with United Nations members which are willing to establish a supreme council without the veto power. The proposal didn't get much support.

Senator Ball's idea was a good one but should not have been tied to ERP's coat-tail. Unless we give up entirely on the UN, there is still hope of transforming it into an effective world body. This idea of amending the UN charter has long been advocated by the World Federalist organization. The only question is the lateness of the hour.

Many Villagers may not be aware that there is a World Federalist group in Palm Springs. The organization is presently sponsoring a series of broadcasts on the subject of a federal world government by Warner S. Moon, one of its members. The program is heard over KCMJ Sunday mornings.

CATHEDRAL CITY is growing just like Palm Springs. It has many good-looking stores and shops with a wide variety of merchandise and services represented. Many of them are new this season. And the nearby community has its own amusement spots too. The residential section has been developing rapidly also with many homes and rental units having been built within the last year.

The Chamber of Commerce, headed this year by L. G. Lewis, is working hard on a program of community betterment. Another active civic group is the Cathedral City Lions Club of which G. Carroll Waller is president. The pioneer promoter of community-minded Cathedral City is W. R. Hillery, real estate dealer. He will be remembered by veteran subscribers of The Desert Sun as the man who reported the news of our neighboring community in this newspaper for many years. He is still one of the most active boosters there.

Plans are being formulated for the addition of a Cathedral City Page as a regular feature of The Desert Sun every Friday. It will carry a complete news report on happenings there as well as advertisements of the leading stores.

JAYNO TELLS ALL

It was another brilliant weekend in the Village as the number of parties grew in proportion to the influx of visitors flocking here for the golf tournament, with their children for the Easter vacation, or for the many other equally good reasons that vacationers seek out Palm Springs . . .

Mr. and Mrs. Blackmore
Of Pittsburgh Spending
Month at The Oasis

Prominent visitors in the Village now are Mr. and Mrs. George A. Blackmore of Pittsburgh, Pa. who have come to the desert for a month's vacation.

They were recently joined by their son, William Stengle, now of Tucson, and their Pittsburgh friends, Mr. and Mrs. John Bowser and family, whose arrival was a pleasant but complete surprise to the Blackmores. The Easterners are all enjoying their stay on the desert so much that they have already made their reservations for the coming year. They are at the Hotel the Oasis.

Mr. Blackmore is the chairman of the board of the Union Switch and Signal Co. and the Westinghouse Airbrake Co. Mr. Bowser is the vice-president of the Westinghouse Co.

Study Group Is
Memorial to
Mrs. Fleishman

The memory of Mrs. Gussie Fleishman, long-time resident of Palm Springs, is being perpetuated by the formation of a study group named in her honor. It will be the embodiment of two of her most cherished interests and ideals: a literary, cultural group dedicated to Youth Aliyah.

The first meeting of the Gussie Fleishman Study Group was held on March 17 at the home of Mrs. Charles Bonoff. The general outline of the plan of study the group will pursue was formulated. After this, Mrs. Dorothy Nussbaum gave a most enlightening talk on current events.

The next meeting will be held on Wednesday, April 7, at 1 o'clock, at the home of Mrs. Reuben Kulla, chairman of the group.

Baby Son Born
To Dick Heises
In Los Angeles

Word was received by friends here last week of the arrival of a baby son for Mr. and Mrs. Richard B. Heise, well known in the Village.

Mrs. Heise is the former Helene Hanbury. Dick Heise was prominent here during his high school days. They now live in Beverly Hills.

The new arrival has been named Richard Dean Heise Jr.

Sure, and it
Was a Grand
Night for All

It was a grand success, that first annual St. Patrick's Day dance held as a benefit for the Choir of Our Lady of Solitude last Wednesday night at American Legion hall.

Father Michael O'Connor, pastor of the church, announced the next day that the event was financially grand, too, and as a result, equipment long needed by the singing group, will be forthcoming.

The huge auditorium was crowded with approximately 500 persons who danced to the music of Pat Barbara and his band. Roy Randolph had charge of the grand march which became so large in its serpentine winding about the dance floor it had to be stopped before the finale.

Horde of Sun-Seekers in Village
To Spend Easter Vacation Days

Palm Springs, perennial playground for high school and college students during the Easter vacation is attracting hordes of sun-seekers during the coming two weeks. They come to ride, to swim, to play tennis, to acquire that enviable suntan, and to forget entirely about the good old Golden Rule day.

From Stanford to La Quinta come that very attractive set of twins, Rosemary and Olive Thoreau, who spent several weeks in the Village earlier in the year. Their home is in San Francisco.

The Marlborough School for Girls in Los Angeles always has many representatives in the Village during the vacation. Among them this year are Maureen Collings, with her parents the Fred Collings at Tahachapee Lodge, and Marguerite and Mary Ann Trousdale, who are with their parents, the Paul Troussdales.

The Red Cross sewing group at their last weekly meeting honored Mrs. Elizabeth DuBose upon her birthday with a lovely luncheon party in the home of Mrs. DuBose's daughter-in-law, Mrs. Kenneth DuBose, with whom she is visiting from Long Beach. A delicious luncheon was served which included a beautiful be-candled cake, prior to the sewing activities.

It was announced during the afternoon by the chairman of the group, Mrs. Ward Hays, that a meeting will not be held on Good Friday.

Westlake School for Girls' student, Polly Perry has joined her family the Clark Perrys in their Village home. The Kenneth Colborns have their two sons with them, Kenneth, Jr., Claremont College for Men student, and Chase, who has brought with him his Webb classmates, Dave Hawks, son of the Howard Hawks, Bob Carpenter, and John Gapp.

The H. M. F. Behnmans have welcomed home their daughter, Sally Pulitzer, from Anoaia School. Other Anoaia girls here are Susie Davids, and Dierdra Treacy, daughter of the William Goughers, who is president of the Student Body.

Why go elsewhere to shop when Palm Springs has such a marvelous selection at reasonable prices. So spoke Vickie Ven Pelt on her recent visit to Palm Springs when she was the guest of her brother and his wife, Henry and Eva Menard.

Miss Ven Pelt is the originator of the Vickie Ven styles for children with exclusives at Saks Fifth Avenue and the Gail Patrick Children's Shop so although she enjoyed the recreational facilities about Palm Springs and side trips to the ranches down Indio way, she particularly enjoyed doing the childrens shops while in town and was pleased at the variety of lovely things these shops have to offer.

Mary Helen Thompson, of the Mary Helen Childrens Shop was in town for a brief visit last week. She drove down from La Canada with her mother, Dottie Stien on Tuesday and returned on Wednesday with Jean Nagle.

Wednesday was a great day for the Irish and they turned up en masse at the War Memorial building Wednesday night for the dance sponsored by the choir of the Catholic church. Busy helping with bingo and ticket taking were Lib Kettmann, Ralph Remy and Peg Rashall. The Altar Society of the church held their annual card party at the Desert Inn during the afternoon. On Saturday the ladies of the Episcopal Guild held their annual food sale at the Fiesta House of the Desert Inn.

Wednesday night was really a celebration at the Hutch Moseley menage. Billie prepared dinner and a huge birthday cake in honor of Tex Driscoll, Kenny Paul, Elmo Purnell and Hutch. Their wives were invited too but the men had the birthdays.

When Pat and Gene Morgan went in to Los Angeles last week end they planned to make a trip down to the Biltmore Bowl and take in the show which includes lovely Joy Hodges who has been vacationing here and did such a wonderful job in the Insanities. She was the "Buttons and Bows" girl. Alta and Dick Grant strayed farther from home last week but Dick has come back to the fold. They left the Village early Monday morning for San Francisco and although Dick had to be back at his business by Wednesday Alta planned to take a week or two vacationing in the northern city and take in some shows and shops.

Down from San Francisco to join his wife Inez on the desert is Edward Raleigh. They've been having such a good time that when they go home after Easter it will be for a rest. Edward arrived in time for the advent of a new baby in the family as Inez's brother Bob and wife Barbara had a little son in Riverside on the day of his arrival. Barbara and Robert Carol Morrison III are both home in Palm Springs now. Betty and Tom Kieley entertained at a dinner party at the Desert Inn on Saturday night in honor of the Raleighs. Down from March Field was Major and Mrs. Jack Hardy. Also enjoying this old home week were Wanda and Paul Summers and Jane and Earl Neel.

Village To Greet Easter Dawn From Hillside With Joyous Song In Quarter-Century Old Service

By ED MARTIN

For 1915 years Easter dawn has been hailed by those who revere Him who uttered these words . . . "I am the resurrection and the life, saith the Lord."

There was established more than a quarter of a century ago, when Palm Springs was in its infancy, the custom of the Village people to band together, to celebrate this event by assembling on the hillside above the Desert Inn. This continued until last year.

Last season the service was transferred to the ramparts above the golf course, due to the lack of accommodations for the increased number of persons desiring to attend the event. Here, platforms were built and a public address system installed through the courtesy of Mr. and Mrs. Nate Milnor.

FOR MANY YEARS the late Professor W. B. Olds of Redlands university brought singers and instrumentalists from there for the occasion.

Since the coming of Mrs. Holly Lash Visel to Palm Springs, and the marvelous development of musical talent within our Village, it was deemed no longer necessary to import talent. During the last five years our own musicians and trumpeters have made the event completely a Palm Springs production.

This spring the sunrise service is under the direction of Rev. James H. Blackstone Jr., pastor of the Community church and successor of Rev. John Robertson Macartney, who, this season is drafted for the occasion by the people of Brawley to aid them in putting on a similar program.

THE MUSICAL PORTION of the service will be conducted by Holly Lash Visel. Under her capable direction the Community church choir augmented by many local singers will interpret several appropriate anthems and songs of praise.

Featured during the program will be the familiar voice of Bill Hay, veteran network announcer and narrator who will render choice selections in his own inimitable manner; Violet Fowler, soprano soloist of the Community church; Edward Martin, baritone, who will sing the sacred song "Resurrection"; Paul Owen, tenor, soloist on a well known radio program originating in Hollywood; Ruth Anne Fleming, young lyric soprano, student of Howard Swan of Occidental college; Richard Hunton, bass baritone, former soloist at the Community church and now studying with Terbert Wall, Hollywood voice teacher and Lois Lux, organist of the Community church, who will be accompanist during the entire proceedings.

THE SERVICE has been broadcast for several years and there will be a repetition of same this year. Thousands at a distance will be able to participate in the program. It will be heard on the Pacific network of the Columbia Broadcasting System and its local affiliate, KCMJ. Fifteen minutes of the service will be broadcast from 5:45 to 6:00 a.m. Easter morning.

The great heart of Mrs. Nellie Coffman has found expression each Easter in that she and the management of the Desert Inn invite the participants in the service to an Easter morning breakfast.

THE DATA pertaining to the origin and the progress of the Easter Sunrise service contained in this article was furnished by Rev. John Robertson Macartney, pastor for many years of the Palm Springs Community church. His generosity, interest and participation in church, social and civic affairs here in the Village is, has been and will always be greatly appreciated by those he so unselfishly assists. His absence from this Easter's sunrise service will be felt by many who are so accustomed to seeing him there.

Let you forget . . . the Easter sunrise service begins at 6:45 a.m. daylight savings time.

CIVIC MINDED—Dorothy Williams, Hollywood, former vocalist with Bob Crosby; Chuck Cobb of Casey's Coffee shop, Max Dresdner of the Del Tahquitz, John Farowe, contractor; Frank Murray of the El Dorado hotel, and Eddie Rioste start another improvement job in town—a sidewalk along South Palm Canyon drive.

No More Dust On Shoes, New Walk Going in

Stamping the dust off their shoes as they adjourned to breakfast, Max Dresdner, Del Tahquitz hotel, A. E. Levinson and Frank Murray of the El Dorado hotel decided that something was needed on South Palm Canyon. They talked it over and decided that sidewalks were the missing item.

According to the trio, consuming breakfast with Dresdner as host, women window shoppers came to an abrupt halt at Arenas road and turned back north.

"Too dusty south of there" was the verdict.

That was a week ago Sunday. Now a sidewalk is going in along that strip from Arenas to the House of Murphy.

Dresdner, Levinson and Murray got busy right after breakfast, contacted property owners in the area, found 95 per cent of them eager for the walk—and the thing is almost completed now.

That's the way to get sidewalks said Murray giving Dresdner credit for most of the hard work.

Tennis Club To Stage
Second Annual Hunt

The second annual Easter egg hunt to be staged by the Palm Springs Tennis Club will take place Sunday at 12:30 p.m., according to an announcement by Lee Bering, president.

The hunt will be staged for children under eight years of age whose parents are members of the club.

"The event will be a lot of fun for kiddies," declared Bering who expects quite a crowd of them.

Wedding Day . . .

the Mermaid" and supervised the writing of a script entitled "Harnessed Bull" which is expected to be a starring vehicle for Edward G. Robinson.

Friends of the couple will tell you that a more ideal marriage cannot be found in divorce-conscious Hollywood. They will also tell you that "Sol, born in San Francisco, on the wrong side of the tracks, or as they say in the Bay city on the other side of the 'Slot' figuratively lifted himself to the top of the pile in the entertainment world by his own bootstraps."

THE TOOLS he used in gaining the success he has attained from a penniless boy were hard work, persistence and a head full of imagination. He believed long ago that moving pictures during the old nickelodeon days were here to stay despite the guffaws of critics and stuck with the infant enterprise until today it is numbered among the biggest in the world.

He recalled not so long ago an incident which occurred during his early show business days when he and his partner in San Francisco were unable to pay a sign painter to correct a word he had misspelled on the marquis of their motion picture palace.

By no strange coincidence present at the anniversary celebration will be Charley Skouras to whose company, the present Fox West Coast Theaters, Lesser sold his chain of motion picture theaters on the coast. It was this group of show houses that formed the present mammoth nationwide Fox chain of cinema houses.

AN INSIGHT into the life of the Lesser couple was indicated in the statement made by Miss Ernestine Sanger who has been employed by them for 24 years.

"I have never known a kinder couple," Miss Sanger declared as she busied herself about the kitchen in the Lesser home. "I have been with them for twenty-four years, coming to work just one year after I arrived in this country from Germany."

"Mrs. Lesser? Why, she is the most perfect lady I have ever met," continued Miss Sanger. "They're such good people and a lot of married couples can take a lesson from them in how to get along with each other. Just imagine," she said rather excitedly, "they have been married for 35 years! That should answer all your questions," she told the reporter at the kitchen door.

AND THAT'S what all of the couple's host of friends think of the Lessers. Among the group who will be present of course are the son and daughter Marjorie who is now Mrs. Morris Pfalzer. Her husband is an attorney and both are the parents of two children, Stephen 9 and John 4.

Julian Lesser, the son, is following in the father's footsteps in the motion picture world. He is today the president of Windsor Productions and the father of two daughters, Fay, 7, named after the paternal grandmother and Betty 5.

Others who will be present are Mr. and Mrs. Jean Hersholt, Mr. and Mrs. Eddie Cantor, Mr. and Mrs. Mandel Silberberg, Mr. and Mrs. Charley Skouras, Mr. and Mrs. Walter Wanger, Mr. and Mrs. Charley Farrell, Mr. and Mrs. Eddie Small, Mr. and Mrs. Sam Briskin and other lifelong friends.

Workers can't eat television sets.—Albert J. Fitzgerald, president of the U.E.W., commenting on G.E. price cuts.

Week-Long Registration Drive To Line Up Voters for Primary Election to Start on March 29

Plans for an intensive week-long campaign between March 29 and April 4 for registration of voters for the June 1 general primary election, were announced here today by a committee which is cooperating with a county-wide group set up to sponsor the voter enrolling.

Registration for the primary election, in which voters will cast ballots in national, state and county contests, is open until April 22. Voter rolls were closed recently for both the general city election, April 13, and the special city election April 20, but are now open for the primary balloting, according to Mrs. Louise McCann, city clerk.

BY NEWSPAPER and radio appeals, persons now eligible to enroll as voters will be urged to make certain next week that they qualify to cast their ballots in the June 1 primary.

Registrations may be completed at the city hall or at the following three places in the Village: office of Weingarten and Hough in the Plaza, police court at 810 North Palm Canyon, and at 182½ East Andreas. The last-named location is open after business hours for convenience of employed persons.

ALTHOUGH Palm Springs has

its largest registered voter total in history, there still are many persons who neglected to enroll ahead of the city election deadline on March 4, according to Harry C. Harper who has been named Palm Springs chairman of the special committee sponsoring next week's enrollment.

the dance given there by members of the department. More than 600 persons from a wide desert area were present to join in the fun and watch the square dance contests staged in connection with the event.

Two colorful teams from Rancho Trailer park and one from the Los Compadres club vied for the honors with a Ranch team winning first prize. The contestants were warmly applauded by the large throng.

Colorful western garb featured

the event with some of the top designs winning handsome prizes for their wearers.

Civic organizations of Cathedral City, Palm Springs and guests from neighboring ranches joined in the fun.

Proceeds went to the fund established by the Cathedral City fire department with which to buy new equipment.

WHEREAS, in these troubled times it is important that we turn our thoughts more and more to the Prince of Peace, and

WHEREAS, the need for prayer and quiet meditation on the principles of Christianity was never more vital than in these uncertain times,

THEREFORE, I earnestly urge all residents of Palm Springs to observe Good Friday, March 26th, as a Holy Day and as a time for prayer for the world's return to the Christian ideals of peace and good will and urge all business establishments who can do so, to close for the period between 12 noon and 3:00 p. m. on that day to enable any of their employees who may wish to do so to attend the church of their choice between those hours.

Annual Cantata To Be Presented This Evening

Music lovers will be given a treat tomorrow night at St. Paul's in the Desert Episcopal church when the "Seven Last Words of Christ" by DuBois will be sung.
The musical program will get underway at 8 p. m. with the church choir, Alexander Hammond, baritone, his wife, Wynne Davis Hammond, soprano, and guest tenor soloist, Russell Horton, perform.
Reverend Robert M. Hogarth announced that the cantata, an annual affair at his church, will see Mrs. Hammond and Russell singing side by side as they did in past performances over national radio networks.
Everybody is invited, Rev. Hogarth said and lovers of good music will deeply enjoy the singing. Miss Eileen Carey will accompany the vocal program at her organ.

LLOYD MASON SMITH

Tonight the three natural history films to be shown at the Desert Museum are: "The Way of the Wild", "The Snapping Turtle", and "The Northeastern States". Open to the public without charge at 8 p. m.

Wednesday night another in the current series of Symphony Evenings will be conducted by William Norman Jupe, program to be announced. Public invited, 8 p. m. No charge.

Thursday's special War Orientation film will be "Appointment in Tokyo", which depicts the American conquest of the Philippines and concludes with the Japanese surrender aboard the USS "Missouri". Open to the public at 8 p. m. No charge. (The film "The True Glory", originally scheduled for this date, was shown earlier in the month.)

Friday's Film Classic will be "Ruggles of Red Gap", starring Charles Laughton. This film, open to members only, will be shown at 8 p. m.

NEXT SATURDAY, March 27, the field-trip will be an all-day auto caravan over the Palm-to-Pines highway via Banning. The trip will involve about 150 miles round-trip driving; no hiking. All persons interested meet at the Museum ready to leave at 10 a. m., return at 5:30 p. m.

Saturday night's guest lecturer will be Dr. Leslie A. Smart, who will present his excellent color movies of the Caribbean, "Trails Through the Tropics", with synchronized music. Open to the public without charge, 8 p. m.

Next Tuesday's natural history films will be: "Defense Against Invasion", and Utah Parks film on "Grand Canyon, Zion, and Bryce National Parks". Open to the public at 8 p. m. without charge.

RENEWED MEMBERSHIPS in the last few days came in from Y. P. Rothwell, Mr. and Mrs. H. L. Stuebing, and Mr. and Mrs. Alvin Untermeyer. Total membership is 565.

Guests at the Museum in the last two weeks included visitors from some twenty-two states of the United States; and from Buenos Aires, Argentina; Perth, Australia; from the provinces of Alberta, British Columbia, and Ontario, Canada; Denmark; and Middlesex, England.

Randall Henderson, the editor and publisher of "Desert Magazine" last week presented his movies taken this summer on the boat trip he made down the

Colorado river and through the Grand Canyon with Norman Nevels. This trip he described in three consecutive issues of "Desert Magazine", and these pictures showed the trip even more graphically. People drove from as far as Pasadena, Escondido, El Centro, and San Bernardino just to attend this particular lecture.

Edwin Corle, the author of "Desert Country", "Burro Alley", and "Listen, Bright Angels", attended Randall Henderson's program Saturday night at the Museum in the company of Mrs. H. W. Armstrong of Smoke Tree Ranch, Mr. Corle, who has just completed a biography of Studebaker, had visited most of the scenic spots in Mr. Henderson's film, but had never made the entire trip by boat. His book, "Listen, Bright Angels", is considered by far the best and most authoritative volume yet published on the Grand Canyon.

THE DESERT MUSEUM was last week recipient of a first-prize trophy in the educational division of the Desert Circus Parade. The Museum's entry was a giant horned lizard mounted on a trailer and drawn behind the station wagon as if it had just been bought and were being brought back to the Museum for exhibition. The horned "toad" was designed and constructed by Harry Oliver of Thousand Palms especially for the Museum.

The "Riverside Enterprise" devoted one full page to the Desert Museum and its various activities last Monday, March 15. Included with the article were several photographs taken on Museum hikes and of the Museum itself. This very favorable publicity, plus that given by the "Desert Magazine" in its recent issues, has publicized the Desert Museum over most of Southern California.

It might be of interest to note that such well-known and long established museums as the Southwest Museum in Los Angeles has less than 500 members, while the Desert Museum at the present time has 565, which shows that it compares favorably with the better known institutions in Southern California.

Miss Cornelia B. White last week brought in another photograph to add to the gradually growing collection of old pictures in the Museum's files. This one is of Marcus Belardo, an early-time Indian resident.

Lost Trikes

Two Found in Wash.
Now at Police Station

Two tiny tots who have been crying for their lost or stolen tri-cycles may start tugging at their mother's apron strings for a trip down to the Palm Springs police station.

There in the property room are two of the tiny three-wheeled vehicles awaiting the claim of the small owners. Of course identification will be necessary before they are handed over.

The tri-cycles were found in the Tahquitz wash by William Dudas of Los Angeles and he claims, according to police, that it would have been impossible for any child to have used them in the deep sand of the dry river bed.

Police believe that the thief, failing to sell them, tossed them into Tahquitz wash.

The biggest game fish ever landed was a Tahitan marlin, a sword fish over 14 feet long. With a girth of six feet, nine inches, a tail spread of over five feet, it weighed over 1,000 pounds. It was caught by Zane Grey off Tahiti, May 16, 1930. It took a dozen men to drag the fish up on the beach.

The greatest barrage of gunfire ever let loose, except on a war front, was the victory salvo fired in Moscow at the end of World War II, consisting of 100 blasts from 1,000 guns. Up to that time the greatest number was 24 from 324 guns.

The world's largest herd of elk, numbering 16,000 is located in Jackson Hole, Wyoming, a valley 40 miles long and ten miles wide, described by National Park Officials as "the most beautiful valley in the North American continent."

Button-Herzog Legal Office to Open Here Soon

The well known Hollywood legal firm of Button and Herzog is expected to open its Palm Springs offices within the next week or ten days, it was announced yesterday by Harry Holt, vice-president and general manager of Rancho Mirage.

The latter subdivision in which A. Ronald Button, co-partner in the firm of Button and Herzog, is a co-developer, will also occupy space in the new offices located at 505 South Palm Canyon drive. Formal opening date is expected to be announced soon, it was said.

Just like they set aside the Joshua tree country for a Joshua monument. The places he mentions are all in a row across the desert from us. "We need a Palm park as much as we need a Joshua park," he said. He even has the custodian selected. Paul Wilhelm, long time resident of the area, historian and poet of desert lore.

WELL, as stated in the opening bars, I've got Spring fever. Wondered why I felt so lazy down here the year around but note it is written above that there are only two seasons here, Spring and Summer. So with Summer, when it's too calorific to work and Spring when one is filled with ennui, there just isn't any time to feel full of pep and vim. Not to mention vigor. And if ennui isn't spelled right, blame the lowlife who borrowed my dictionary and didn't bring it back. Now is the hour to say good-bye.

"There is nothing like public support in a democratic nation that will add solid substance to a position our government may assume," said Col. Duncan.

As for the reserve and other civilian components of the armed services, a well laid plan was placed in operation not long after the close of the war and is rapidly being brought to completion. The Air Forces, he said, had to abandon a major portion of its plan of re-organization some months ago due to the lack of appropriations and the strength of that branch of the service is near par in personnel.

HE ANSWERED numerous numerous questions of World War II veterans after the close of his address having to do with active and inactive reserve status. He advised reserve officers and enlisted men to maintain their status because if they allow their reserve ratings to lapse, they will be less than one step ahead of the draft in the event of war.

"A reservist, either officer or enlisted man should make sure that headquarters of their escheon knows his present address," Col. Duncan warned. "If they are dropped from the lists, their chances of returning to their specialty or branch of the service in the event of war would be considerably lessened."

Angelo Potenza Gives Up
On Trans-Atlantic Phone

Angelo Potenza was bound by invisible ties to the telephone in his realty office for three days and almost that many nights this past week.

The police were asked to inform him that his brother in Milan was trying to reach him by trans-Atlantic telephone and to be at his office at a particular time.

Potenza was and continued to be but for short periods of time within sound of the telephone ring, but he was never able to reach his brother.

Explained Potenza: "I was able to return my brother's call as far as Rome, but the line from Rome to Milan was busy, busy, busy—well, I just gave up and sent my brother a special airmail letter."

Frank W. Cutler Memorial Library, Recently Given to Garden Club, Opened to Public

When Palm Springs gardening fans wish to know the how, where and why of most any garden subject the information will be at the fingertips at the Welwood Murray Library, for the Palm Springs Garden Club this week voted to make the newly-established Frank W. Cutler Memorial Library open to the public.

At a meeting of the club Saturday, Mrs. Barney Johnson, club librarian, announced that nine fine books have been contributed to the library and several others have been promised.

THE CLUB MEMBERS there voted to make the books available to the public on the same basis as other books at the library, rejecting a plan that would

have restricted use of the volumes to club members.

Meanwhile, the club librarian will be glad to receive contributions of books from any Palm Springs resident wishing to add to the library. The books must be on gardening subjects and should be of current issue, she emphasized. She can be reached at Phone 7465. The club's president is Mrs. George Mannington, Phone 7677.

FRANK W. CUTLER, for whom the library is named, was the founder of the Palm Springs Garden Club which was formed last year among ardent garden enthusiasts here. Its membership now is limited due to the fact that the meetings are conducted in homes. Mr. Cutler died in Portland last summer.

The club's meeting was held at the home of Mr. and Mrs. Johnson on Mel avenue. Takao Komura of the Village Flower Shop addressed the club on the subject of "Care of House Plants."

"I Rise to Remark"

By Congressman John Phillips

What did you think of the President's speech to Congress? I delayed writing this week's letter, until after the speech, thinking I might have something of outstanding importance to talk about. The message had been suddenly announced to us; the news came down on Monday, and all of us expected an announcement directly related to the critical world situation, and to the approaching discussion of foreign aid, under the so-called Marshall Plan.

Incidentally, I had dinner the evening before with Secretary Marshall. Those of us who came in together in the 78th Congress have met every Tuesday evening, for dinner, ever since, and have invited some member of the Administration, the Cabinet, or from the agencies, to meet with us and to talk, strictly "off the record." Perhaps the dinner meeting had worked me up to expecting more from the President's message.

I'LL ADMIT I was somewhat disappointed. It wasn't the deliv-

ery, although the speech "reads" better than it "listens," which ought to be Pennsylvania-Dutch enough for any of my friends in the 22nd District who came from Penn's Woods. When you read it, you find strong parts. It says to Russia, that we are through with appeasement. That is what the Congress has wanted the State Department to say, for months. The effect of that statement, from the President, can only have a good effect on peace possibilities. The chickens hatched from the secret agreements at Yalta and Teheran and Potsdam have recently been coming home to roost.

The President said he wanted the Marshall Plan passed quickly. The Senate had only sent its version at midnight Saturday, and on Monday and Tuesday, the majority leadership had met to determine the House program.

THE PRESIDENT said he wanted the Universal Military Training bill passed. There has been misunderstanding about this

bill, and many people thought it meant military conscription, so I see the President left out the word "Military," often used. As I have remarked before, not one boy or girl would get into the army or into war, one day sooner if we had that bill, than if we did not have it, but a lot more of them would come back from war whole, if it were in effect before another war hits us, which God forbid. I really don't agree with the war shouting commentators, that we will have war right away, but I do say, with considerable authority, that we face little outbreaks any moment, anywhere, and the danger lies in one of these getting out of hand. That makes the "crisis," not the danger of a big outbreak. Some people think the election year helps make the "crisis!"

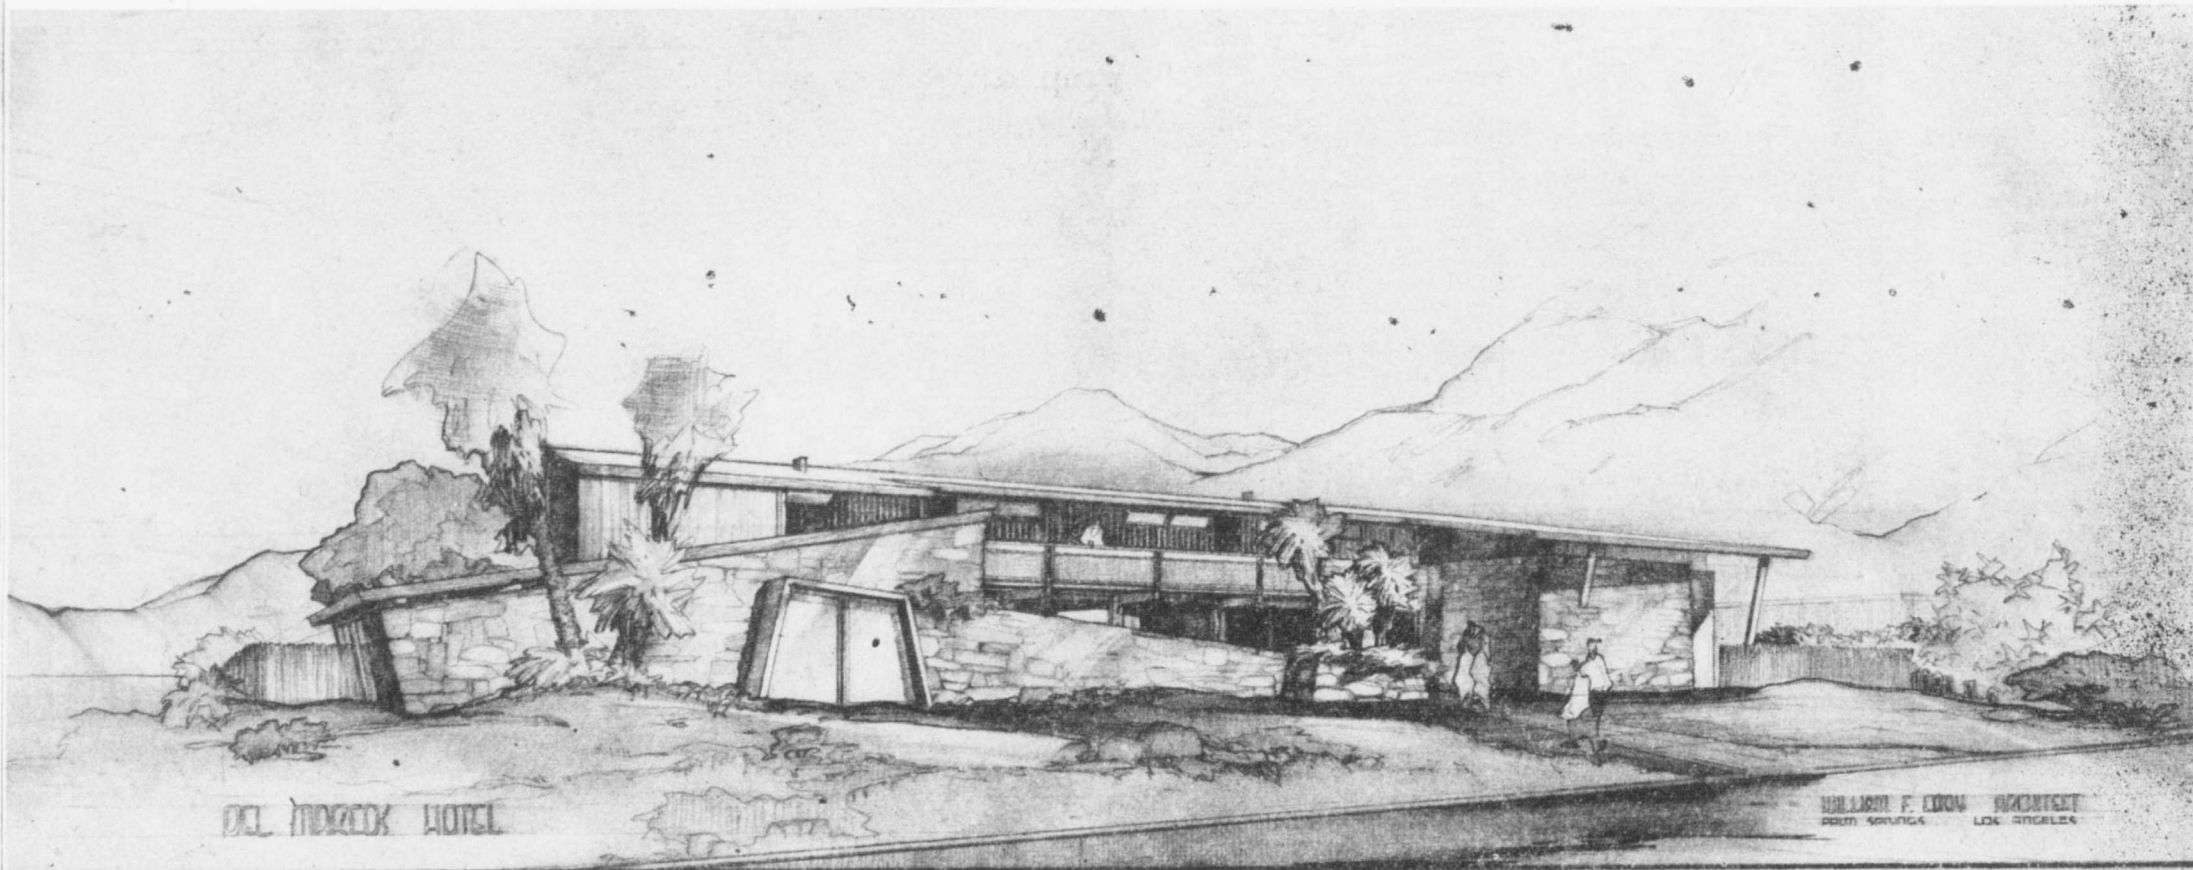

THE OTHER THING the President asked for was a "temporary draft." I'm not too sure about that "temporary," and I'm much less sure about the urgency. To speak frankly, only a few weeks ago, our committee to which such matters are referred, asked about voluntary enlistments, and was told they were coming along satisfactorily. Today, the President says they are not satisfactory, and asks for the draft.

Givan Edges Hanson By One Stroke to Win Palm Springs Crown

Seattle Golfer and Lakeside Star Stage Neck and Neck Stretch Drive With Givan Scoring Winning Punch on 18th Green

Harry Givan, Seattle insurance man and favorite to win the 13th annual Palm Springs Invitational, nosed out Guy Hanson in a great stretch drive by one stroke to take this year's crown.

Burbank Bowlers Shade Villagers

Airways Five Noses Out All-Stars by One Pin

It wouldn't have been so aggravating if the bowling tournament had been lost by a lopsided score but by one measly point—and especially when the Palm Springs All-Stars won two of the three games—well that's enough to make a player see twenty instead of ten pins.

The contest in which the local legions were pitted against the Airway Bowling Alley, Burbank, saw a total tally of 2750 to 2749 in favor of the visitors.

ALTHOUGH it wasn't known at the time the first tilt won by the Burbankites spelled defeat of the All-Stars when the former team knocked the pins over for a score of 967 to 829, in which that one BIG point was buried deep enough to spell defeat for the Village team.

Each chair in the rooting gallery was packed with a partisan booster and they shouted them-

See GIVAN WINS, Page 13

Givan, who started slowly, caught Hanson on the second day and the two of them went through the third 18 neck and neck with Givan finally coming down in front with a 208. One stroke behind was Hanson with 209.

THE OTHERS were well back although they tried hard all day Sunday to bag the leaders.

Givan's score was 71-66-71-208; Hanson's, 66-71-72-209.

Givan finally achieved his ambition to take the Palm Springs title. The former Walker Cup team member has several times been close, once second and once third.

Starting the final 18 all even, Givan picked up two strokes on the out-going nine but Hanson came back and they were all square on the 13th, Hanson then went ahead but on the 17th they

High School Net Teams Start Loop Play on April 21

Banning High First Opponent for Boys And Girls Squads

Under tutelage of Coach John Weeks, Palm Springs high school netters were prepping today for Riverside County League tennis matches with first dual competition scheduled for April 21.

On that day the Banning boys' team will come here to meet Indian netters while the Palm Springs girls' team will go to Banning.

April 28 Palm Springs boys go to Coachella and the Coachella girls come here.

Final matches in the eastern half of the loop come on May 5 when Beaumont boys come here and the local girls go to Beaumont.

Champions of the eastern section then meet the western half winners for the league title.

Indians To Start Baseball Play In Riverside County Loop April 9

Play in the Riverside County Baseball league will start April 9 with Palm Springs Indians going to Sherman for the first game. Out of the five games scheduled for the local hard-batters, two will be played here and three abroad.

First home game for Coach C. E. Ballagh's nine will be April 16 when they play host to San Jacinto at 2:30 p.m. Elsinore closes the season here on May 6.

COACH BALLAGH has a lively crew working out for him on the diamond with Jackson of last year's squad, and Soto trying out behind the plate. Ruberts, 1947 letterman on the mound, Styers at first base, Doro, letterman, and Gates at second base, Laurier and Blackhart trying out for short stop, and Graber at third base.

In the outfield Thomas, Stone, letterman, and Morris are co-vorting.

On the reserve list are C. Black, J. Black, Luke, Wilcox, Vajsabal and Eddie Weiss.

THE COUNTY LEAGUE schedule follows:

April 9—Palm Springs at Sherman
San Jacinto at Hemet
Elsinore at Beaumont

April 16—San Jacinto at Palm Springs
Hemet at Beaumont

Coachella Scores Honors in Three Classes in Meet

Palm Springs Indians Take Second Places In Triangular Event

Track activities got under way at Palm Springs high school last week with Coach Scott Thompson's thin-clads meeting Banning and Coachella high schools in a triangular meet last week in A, B and C classes.

Coachella's Arabs walked away with the honors in all three classes but Coach Thompson was much encouraged by the showing of his cinder artists.

Lopez was high scorer for the Indians, taking the 100-yard dash in 10.5 and the 220 in 23.9. Captain Bob Sinalyn registered a 20 foot, 6 inch mark in the broad jump.

Scores of the meet:

Class A—Coachella, 60%; Palm Springs, 52%; Banning, 13%.

Class B—Coachella, 82, Palm Springs, 21; Banning, 12.

Class C—Coachella, 55%; Palm Springs, 31%; Banning, 5.

The meet was held in the Palm Springs oval.

Annual Invitational To be Held Under Arcs on April 2

Palm Springs High To Be Host to 15 Schools at Relays

Plans for the annual Palm Springs Invitational track meet, slated for April 2, were being rushed to completion by Coach Scott Thompson of P. S. High, members of the school staff and students, with athletes from 15 southland high schools expected to compete.

The meet will be held under the arcs on the local field and a large turn-out of fans from the Village and from the communities represented by the competing schools is anticipated.

Selection of judges, timers and other officials for the various events is being made and plans are being mapped for the entertainment of scores of athletes and rooters from visiting schools.

Coach Scott Thompson will take his Indian track and field team to Coachella Thursday for a relay meet in preparation for the annual Palm Springs Invitational which will be held here April 2.

Plans Under Way For Open House Event on April 19

The P.S.H.S. open house program will be Thursday, April 29, at 7:30 p.m. in the auditorium. John F. Schwendiman is chairman of the program committee. Other faculty members serving are: Alexander Hammond, Dr. Kate Simpson, Roxi Boher, and Gustave Patzner.

The public is urged to come to this open house.

Each department will have its own exhibits and will be allotted a certain amount of time to perform.

After the program, the teachers will be in their home rooms to give information and meet parents and later refreshments will be served in the cafeteria.

Public Schools Week was started after the first World War to arouse public interest in education, and was originally sponsored by the Masonic fraternity. Groups such as the parent-teacher associations, service clubs, civic organizations, and the fraternal order will support and take part in the programs throughout California this year.

Adult Classes Twice Weekly At High School

Andy Lester, art teacher, conducts adult education classes in crafts every Tues. and Thurs. from 7:00-10:00 p.m. at the Palm Springs high school.

Jewelry and leather are offered both evenings. Bracelets, brooches, rings, buckles, costume jewelry, buttons, belts, and billfolds can be made.

Dick Raun made a western jacket, Mrs. Kiley, a belt; and Allan Redfield, an unborn calf-skin purse for his college girl.

Adult education classes are without charge, except for materials used.

Tennis Try-Outs Now Under Way At High School

Tryouts for the tennis team started yesterday on the tennis courts during 2nd period and activity period under direction of John Weeks, tennis coach.

With both 2nd period and activity period open for practice Mr. Weeks is hopeful for a victorious tennis season this year.

Battling it out for the boys team will be Ben Chaffey, Nicky Nichols, Frank Purcell, Tom Luke, Ronald French, Mort Gilbert, David Harper, Gordon Inman, Buddy Sale, Bill Slocum, Charles Bond and Dick Raun. Both Ben Chaffey and Nicky Nichols made the tennis team last year and it is hoped they will lead our victories.

Girls trying out for tennis are Sandra Small, Mary Louise Klug, Ann Wells, Sandra Cordrey, Jane Rosen, Adele Woods, Ann Oliver, Doreen Elbert, Diane Cross, Marlene Knowler, Marlon Troy, Brownie Browne, June Green and Beverly Brown.

The two teams consisting of boys and girls will have 1st, 2nd, 3rd and 4th singles, and 1st and 2nd doubles. This makes 6 or 8 boys or girls eligible for each team.

The first tennis match for the boys will take place on April 21st at Palm Springs between Banning and Palm Springs. The first tennis meet for the girls will be held at Banning on April 21st between Banning and Palm Springs.

Forum Season To End With Lecture Thursday Night

John Scott, chief of the European staff, of Time magazine, will be the last speaker for the 1948 winter season when he appears March 25, at 8:00 p.m. at the Legion hall.

Mr. Scott is a well-known author on European affairs. He returned from Berlin in January. He is well informed on his topic, "America's Influence in Europe." His information is not concentrated on Europe alone, for he lived in Russia for 10 years.

Mr. Scott is a well-known lecturer on questions of political, social, and economic significance.

The free public forums have been sponsored by the high school board of trustees for the benefit of the teachers who must attend five two-hour institute sessions a year.

Meet Your GAA

The Girls Athletic Association is one of the most outstanding organizations in school. Not only is its membership the largest, but it is large in its contributions to other school activities. For anywhere you will look on the campus, you will see that the girls who are doing the most for their classes and school are the girls who proudly wear a G.A.A. sweater.

Nancy Nye, who recently earned her letter, is one of the most active juniors. She has worked faithfully on dances and at games. Nancy helped the student body by selling tickets on the rooters' bus and by selling tickets at basketball games. She holds a position of responsibility as treasurer of G. A. A. At the last meeting of the club she was chosen one of the two juniors to attend the G.A.A. convention in La Jolla this year. Nancy is also well known for her activities in the assemblies and operettas. Even though she is in so many activities she is a member of the Scholarship Society.

Bonnie Sue Taylor has been active in G. A. A. since her freshman days. She is past president of Girls' League and has served on the G.A.A. board. Last year the student body elected Bonnie as its head cheer leader. Bonnie was awarded her letter early in her senior year. More recently Bonnie has won a part in the senior play, "When I Was Green."

The sophomore class is well represented by Sandra Small. Sandra wears an emblem and a variety star for hockey. Her classmates have elected her to be captain of the G.A.A. softball team for this spring. Sandra has taken part in class assemblies and in Girls' League skits. She is a ready and willing helper.

G.A.A. is always glad to have freshmen members, because they are eager to work, learn, and have fun. Irma Taucher is all ready proving that she has what it takes. Irma earned honorable mention on the varsity hockey team and will probably receive her emblem at the formal banquet in May. She took part in the Girls' League skit and party early in the year. Irma is an outstanding student, as well as being active in such school affairs as the operetta and G.A.A.

Book matches were highly unpopular when they first were made, fewer than a million being made during the first year. Today more than 200 billion book matches are produced in the United States annually.

Band Wins Honors For Participation In Circus Parade

For participation in the Desert Parade on March 13, the Palm Springs high school band under the direction of Gus Patzner received a trophy, one of the first in the history of the band.

The trophy was presented to the band by the Desert Circus committee and it bears a drum majorette on top of a tiered plastic base bearing the inscription "Palm Springs—Desert Circus and Parade."

The band and the pom-pom girls, though few in number received many compliments on the neatness of their marching. Beaver Lester, aged six, son of faculty member Andrew Lester, was dressed as an Indian and marched in front of the band, keeping step with drum majorette Joyce Skuse.

Irish Play Put On Air by Radio Class Tuesday

Last Tuesday, March 16, at 1:45 p.m., over KCMJ, several students from the Palm Springs high school presented a St. Patrick's Day program written by Beverly Brown, also a student at the high school. The program was the story of the Irish in the United States and how their love for the music of the Emerald Isle drew them together. They sang three songs:

"Too Ra Loo Ra"
"Who Put the Overalls in Mrs. Murphy's Chowder."

"When Irish Eyes Are Smiling."
Taking part were: Dick Day, Corky Hammond, Vicky Matloff, and Betty Wright.

The announcer was Joyce Skuse and narrator, Beverly Brown.

U. S. production of pianos reached a peak of 350,000 in 1923.

Hawaiian Theme To be Featured At Annual Prom

Carrying out a Hawaiian theme, the annual Palm Springs high school junior-senior prom will be held at the American Legion hall, April 16th. A name band will provide the music. To carry out the Hawaiian theme the hall will be decorated with leis, palm fronds, and flowers.

Persons planning to take a date who does not attend Palm Springs high school, may obtain bids from Betty Wright or Barbara Jones at \$3.50 per person. All alumni must also obtain bids. This year freshmen and sophomores will not be allowed to attend. Student and alumni who wish to attend must hand in their names by April 1st, or they will not be permitted to attend. This is necessary so that the juniors may prepare for the right number.

LOT OF COFFIN NAILS

If a cigarette factory functioned as smoothly as cells in the human body, the output per day would be a million cigarettes for every person on earth.

Artesian wells are so named because the first ones were sunk at Artois, France.

What is the Palm Springs Home Owners League?

The League is an aggressive, non partisan, non sectarian, fact finding organization supported by home owners of Palm Springs. Its officers, directors and members are working to arouse citizens' interest in community affairs and to achieve integrity, efficient administration and economy in local government and to work with other civic groups so that Palm Springs will be a better place in which to live and so that residential zones are protected.

Who are the members?

People in all walks of life. Membership is open to every home owner who desires closer contact with his local public officials, more facts about his local government, and continuous improvement of our city.

How Does the League Function?

The elected Board of Directors directs League policy and program. Committees of members are appointed to interest themselves and investigate activities in local government or in any matter where home owners' interests may be involved.

How is the League Financed?

Its budget is derived from individual memberships of \$12.00 per year. The League's financial policy is: "A little money from a lot of people," rather than a lot of money from a few.

What Tangible Results Can the League Secure?

A better Palm Springs, with an active interest in: (a) reduction of real estate taxes, (b) study of assessed valuations in Palm Springs, (c) a fairer share of available county, state and federal funds, (d) good police protection, (e) good fire protection, (f) better streets and highways, (g) better recreational facilities, (h) good civic planning.

We invite every home owner to join. Mail in your request for membership to Mr. Hilton H. McCabe, Secretary, 457 North Palm Canyon Drive. Dues only \$12.00 per year—all for a better Palm Springs.

Sincerely,

B. F. SHEARER,
President.

Cathedral City News Roundup

By MARY R. WOLSETH and HATTIE DERING SCHWARTZ

Mrs. Maddox to Become President Of Woman's Club

New officers for the Cathedral City Woman's club were elected at a business meeting following the Pot Luck Birthday luncheon at the Town Hall Wednesday, March 17. Miss Dorothy Maddox, president; Mrs. Edna Cobb, first vice president; Mrs. Linnea Watts, second vice president; Mrs. Bessie Kelley, recording secretary; Mrs. Marguerite Hillery, corresponding secretary and Mrs. Leah Lewis, treasurer.

Past presidents of the club were given special mention at the luncheon and birthday cakes were cut on which burned ten green candles. Mrs. Anne Reilly and Mrs. Victoria Scherk had their birthdays on St. Patrick's Day so they were honored by each cutting a cake and receiving cards from the club.

Many husbands were present as guests and Claude Cobb introduced George Ramirez as guest speaker. Mr. Ramirez owns the Acme Outdoor Living company in San Gabriel on the Valley boulevard and has recently started a shop on the highway east of Cathedral. He told of his early childhood in Arizona where he lived in the summer with grandparents who cooked and lived outdoors. In an effort to give his children the same kind of happiness, he built an outdoor kitchen and landscaped his yard to get the most out of it. From this grew his present business. Mr. Ramirez advised all parents to give their children a change of living and eating conditions in the summer. "You can do anything you think you can," he quoted from the club slogan, and said this could be his motto too.

Cathedral City Woman's Club Is Now in Federation

Formal acknowledgement of the Cathedral City Woman's Club as a member of the American Federation of Women's Clubs which bands itself into a national movement for the betterment of women any youth throughout the United States, was read by Mrs. Bessie Kelley, retiring president at the luncheon last week. She said that the county board meeting was to be held Friday, March 26, at the Palm Springs Tennis Club to which she was asked to send a delegation.

Mrs. Kelley expressed herself as delighted to have been able to finish her term of office with this announcement. Mrs. Lucy Abel, former president for three terms, started the movement for Federation which had been the expressed desire of Mrs. Emma McMickle, founder of the Club ten years ago.

In the last ten years the Cathedral City Woman's Club has grown from a small social group of twenty to thirty women, into a group of over a hundred dues-paying members who have accomplished much for the community.

Drug Store Remains Open All Summer

Good news for Cathedralites who are to spend the summer at home came when Hart L. Kopp, the local druggist announced that the Drug Store will remain open the entire year. His son-in-law Ernie Singman is now apprenticing with Mr. Kopp and will enter the College of Pharmacy this fall. He and his wife Frances and daughter Sybil Joyce expect to make Cathedral City their permanent home.

Scouts and Cubs Win Prizes in Circus Parade

Cathedral City Scouts, both Cub and Scout Patrol Troops were highly delighted to receive prizes for their presentation at the Palm Springs Circus parade. The Cubs won third prize in the Children's division and were given a gold cup. The boys in the float were Paul Jones, Charles Martin, Mike Hineman, Raymond O'Nest, Garry McClaugh, Peppy Kuhry, Robert Alsbury, Dick Dimmick and Robert Sproule. They will be given a pot-luck dinner Thursday, March 25, at the Town Hall where Cub Master Chester Sproule will present the cup. All Cubs must be accompanied by their parents.

The Boy Scouts, Patrol Division, sponsored by the Cathedral City Lions Club also won third prize for their perfect marching formation.

Cathedral City Personals

Al Sprague says that the Fireman's Ball was a huge success last Saturday night, but this paper goes to press too soon to give a report of the affair. The whole town went Western and the boys made money to improve their fire hall.

Mrs. Virginia McDonald, sister of Mary Wolseth and formerly with the Desert Health School when it was occupying the Lodge, is visiting her sister this week with her two children and a cousin, Mrs. N. A. Carle. They motored from Seattle, Wash., to take Mrs. Emma Ritchie back with them on Saturday, March 27. Mrs. Ritchie will be with her daughter, Mrs. McDonald, until next October.

Remember the Easter Bake Sale of the Community church which is being held Wednesday, March 24, from 10 a.m. to 4 in the Jones Date Shop next to the barber shop. Proceeds will help furnish the manse. Do you have any furnishings you care to contribute?

Miss Lydia Engh has all kinds of gift cards and note paper at her home opposite the post office and will sell them in the interests of the church. Even if you don't buy they are worth looking at, she says.

On their honeymoon from New Westminster, British Columbia, are Mr. and Mrs. A. E. Sellar. This is their first trip to the desert but they say they will make it a yearly event.

Myra Scherck, nine years old, went to Long Beach last week to have her tonsils removed at the St. Mary's Hospital.

John C. Kelley, living with Cecil Sturdevant, has been in the east for the last six months, and came home via Radium Hot Springs, New Mexico, but says our desert is far nicer.

Mr. and Mrs. Loyd Drews and baby son from Los Angeles spent the week end with Mr. and Mrs. Glen Kuhry.

Room Mothers of the Cathedral City school met at the home of Mrs. Ruth Kuhry on Friday afternoon to make plans for the Easter party to be held at the school on Good Friday. Refreshments were served.

The Girl Scouts entertained their mothers and friends last week in the Scout house. The tea and cookies were made by the girls themselves. Besides the mothers they had as guests: Mrs. Helen Emery, Mrs. H. Peterson, Mrs. Harold Crawford, Mrs. R. J. Shikett and Mrs. Clifford Stecher.

Easter Service Announced at Cathedral Church

Easter Sunday services will be held at the Community church on Cathedral Canyon drive when the congregation and Sunday school groups meet together to hear Rev. Jack Wartes give his sermon, "Christ Lives". A new and welcome feature of the services the past month has been a mimeographed bulletin with a colored picture outside, given to each member of the congregation every Sunday. This is composed and edited by the minister and shows much thoughtful care in preparation. The mimeographing machine used was given to the church by the local Chamber of Commerce.

Smoother Road

Money Appropriated
 For Highway 99

Surfacing of the eastbound lane on Highway 99 between Banning and Palm Springs junction was budgeted by the state highway commission last week when it allocated \$250,000 for the purpose.

When the highway was made into a four-lane divided highway some time ago, a new roadway for westbound traffic was laid to the north of the existing highway and the latter became the eastbound lanes.

Work is now under way improving bridges on the eastbound lanes which will be re-surfaced under last week's appropriation.

Special Election Calls Out Big Vote In Cathedral City

The special election held last Tuesday, March 16, at the Town Hall whereby a Sanitary District is to be formed for Cathedral City went over in a big way when out of 200 registered voters three fourths voted and only four votes were cast against the measure. The winning board members were as listed on the printed ballot, each getting more than ninety votes. Warner Moon receiving 124, the highest number cast. A few ballots were thrown out because they had been defaced. Thirty persons appeared to have banded together to put in a different slate, but their nominees received only one third as many votes as the lowest number cast on the regular ballot.

The man who worked the hardest for the formation of the Sanitary District was not present to see his efforts bear fruit. Paul Clark, last year's secretary of the Chamber of Commerce was operated upon last week for a spinal complaint which has been causing him increasing pain over more than two years until he was finally confined to bed for the last few months. The operation was done at the Magnolia Hospital in Long Beach and for several days Paul was in poor condition. He is now out of danger and the doctor says that he expects the operation to have removed the cause of his pain and that Paul can again take his place in civic affairs. His broad viewpoint and experience have done much to work for civic improvement in this town.

Gordon's Court Wins Prize for Parade Entry

Gordon's Trailer Court came to the fore in an amusing float at the Circus Parade. It won first prize for such entries. A bronze covered wagon, pulled by oxen was the trophy which they were given. Mike Gordon stood in the rear of a jeep which had a fishing trip motif, and took a real bath with soap suds covering him from head to foot. The tub was surrounded by bushes. In the jeep were Jack Hineman, Harry Adams, Larry Cayou, Art Sellar, and Bobby Gordon. On the sundeck were six beautiful girls taking pictures of the crowd. They were Undeen Whitlock, Betty Johnson, Edythe Cayou, Wilma Gordon, Lorraine Sellar and Eileen Ware. Beauty was combined with amusement when in the rear came a beautiful black and white trailer with small trailerette attached heaped with flowers.

Greater production of glycerin is now obtainable through the use of an acidified medium that enables ordinary yeast fermentation processes to progress more efficiently.

The suddenness with which any future war undoubtedly would come means that sufficient manpower must be available promptly.—Secretary of the Army Royal, urging military training.

Phillips, Dilworth File Nominations June 1 Primaries

Congressman John Phillips, Senator Nelson Dilworth, Superior Judge O. K. Morton and Chairman Walter Pittman of the board of supervisors have filed nomination papers for re-election, County Clerk G. A. Pequegnat said Saturday as time for nomination papers for the June 1 primary opened.

Although James I. Easley, supervisor for the Fourth District, which includes the Palm Springs area, has announced his intention of being a candidate, he had not filed up to Saturday.

Assemblyman Philip Boyd, first mayor of Palm Springs, recently announced that he would not be a candidate for re-election after two terms at Sacramento. John D. Babbage, deputy district attorney, has indicated that he will become a candidate for the position being vacated by Mr. Boyd.

Deadline for filing nomination papers for the June 1 primary is April 27.

COOL SUMMER POSSIBLE

Despite the drought, California may have a reasonably cool summer, the state department of agriculture and weather bureau said this week.

White salt made from rock salt is usually classified as boiled or fine, table, lump, stove, superfine, basket, butter and cheese salt, unboiled and common chemical, fishery, extra fishery, double extra fishery and bay salt.

Congressional Committee To Tour Local Area

Members of the committee on agriculture of the house of representatives will climax a western states tour with a visit to Riverside county on April 1 and will be conducted through the 22nd district by its representative, Congressman John Phillips. Phillips will fly west to be with the committee on tour.

The tour will start at Davis next Monday and wind up in Riverside county a week from Thursday. Following breakfast at the Mission Inn, the congressmen will tour the Coachella Valley, boarding the train for Chicago at El Centro.

The committee chairman is Clifford R. Hope of Kansas and the four subcommittee members are Phillips, James L. Whitten of Mississippi, H. Carl Anderson of Minnesota and Walt Horan of Washington.

Roasted shoulder of lamb may be flavored in various ways. Some cooks like to rub it with a crushed clove or garlic before roasting. Others prefer to rub it with sage, thyme or powdered marjoram.

If only one-half of a head of cabbage is used for slaw or some other dish the remaining head should be wrapped in waxed paper and stored in the refrigerator.

were even again and Givan won on the last hole.

CLOSEST to the top two were John Dawson, Lakeside, Ralph Evans, Palms Verdes, and Ray Sleppy, defending champion, with 212s. Frank Hixon turned in the best round of the tourney, a 65 Sunday, to wind up next with 214.

Hanson was paired with Bob Hope in the Calcutta and the entry did quite well. Hope also had the ticket on Givan so the comedian business over the weekend was all to the back.

AT THE END of the first round Friday, Hanson, former state senior champion, had a 4-under-par card of 66, turning in two sparkling 33s. Behind the Lakeside veteran was Ralph Evans with 67, Givan, the favorite, was back in the ruck with a 71. Sleppy, the defending champion, had a 73.

Frank Richardson, Palms Verdes, took Class 1 (50-55) honors in the senior tourney with a 71 and Dr. Leroy Brooks, San Francisco, second with a 73. Low net in Class 1 went to S. S. Rocky, California C. C., Dr. J. Litwinnico, Pomona, and Harold McAllister, Los Angeles, tied with 68s.

CLASS TWO honors went to Elmer (Gloomy Gus) Henderson, with a 71 and low net in this class (56-65) to H. F. Mile, Wilshire, and Ted Owens, Seattle, with 68s.

A. F. Krebaum, Santa Barbara won Class C (65 and over) with a 76 and Ray Cheseboro, Wilshire, took low net with a 68. Richardson and Henderson, all

THE SECOND GAME was won by a score of 956 to 882 by the All-Stars and they came back fighting to overcome the first game lead in the third and final ten frames. They fought valiantly and well but it just wasn't enough by one point with a score of 964 to 901.

George Pfeiffer on the Burbank team knocked them over for a total of 597 pins for the tournament with an average of 199 for the three games.

HE WAS SHORT against the best All-Star bowler, C. Berry who keggled to the tune of 604 for an average of 201 plus. The best individual frame bowled was rung up by Norman MacDonald with a total of 266.

The Palm Springs All-Star team, consisting of players from the various Village teams, is composed of Mike Tamez, Bill Goodrich, C. Berry, Norman MacDonald and T. Tubbs.

PLAYING for the Airway Airways were George Pfeiffer, Ernie Weber, Jim Brown, Andy Montello and Ben Eberhart.

The tournament was played at the Palm Springs Bowling Academy.

The All-Stars will play a return engagement at Burbank with the same team as opponents sometime next month, it was announced.

How to Keep 'Em Down On the Farm

The other day Pete Swanson's nephew, Bud, allowed as how he was fed up with farm and country life...and was going to the city where there was a lot more opportunity and excitement.

Some folks might have tried to stop him. But not Pete. He even advanced Bud carfare for the trip...figured that when he'd had a good look around, he'd come back where he belonged.

And what happened? After seven days of big-town bustle and excitement, Bud was back behind the

wheel of a tractor, with color in his cheeks again. And he'd traded the night life of the city for a quiet glass of beer with Dad.

From where I sit, that's how it goes. Try to prevent some one from getting what he thinks he wants—and he'll go on wanting it. But give him his head, and he'll settle for the sensible thing—whether it's country life, or a temperate glass of beer!

Two to Receive Highest Scouting Honor on March 25

Two youths active in Scouting in the Palm Springs area for many years will receive the highest award in the organization at a special Eagle Scout court of honor at the El Paseo theater, next Thursday night, March 25, it was announced today by Harold Lienau, district chairman.

The Scouts are Robert Hillery, son of Mr. and Mrs. W. L. Hillery of Cathedral City, and William Carey, son of Mrs. Eileen Carey of Palm Springs.

The event, first of its kind held here in several years, was first scheduled for Wednesday night, March 24, but had to be postponed as the theater was unavailable for that night, Mr. Lienau said. A meeting of the district committee will precede the court of honor.

Diligently sought after by every boy who enters the Scouting movement, the rank of Eagle Scout is the highest pinnacle of training in the organization. A youth must progress through the subordinate ranks of tenderfoot, second class, first class, star Scout and Life Scout, each of these requiring increasing numbers of difficult achievements in the fields of merit badges which are awarded for proficiency in activities ranging from bridge building to raising birds.

Both Eagle badge candidates have received their Scout training under the direction of Scoutmaster Scott Thompson, himself a former Eagle Scout. The Scoutmaster has been directing the work of both the Cathedral City and Rotary Club troops until a Scoutmaster can be located for the Rotary organization.

Village Record In Red Cross Drive Best in County

According to reports at county headquarters, Palm Springs achieved one of the best records in the county Red Cross chapter drive, not only being the first to complete its quota but also the only one to date to exceed its goal.

The Palm Springs quota was \$11,881 and under the guidance of Chief of Police A. G. Kettmann, the drive here passed the \$13,500 mark last week with more reports expected.

Riverside city was slightly more than half-way toward its \$40,000 goal. The county quota is \$88,000 and as of last Friday, \$38,000 had been contributed, including \$13,500 from Palm Springs.

Amvets Busy With Plans for Festival Slated Next Month

The fourth gala event to be staged by Palm Springs Post 34 of American Veterans of World War II early in April with Village-wide invitations issued is gaining momentum.

The celebration this year will take the form of a Spring Fiesta and in all probability will be held in some outdoor spot in the Village.

Highlight of the night's entertainment will be the awarding of an estate homestead in beautiful Rancho Mirage now valued at approximately \$1750.

Tickets to the event have been purposely held low in accordance with AMVET policy to enable everybody in the Village to attend the event which will be replete with entertainment, dancing, folk singing and games.

All of the receipts will be used by the organization in veteran's work.

Tickets may be purchased from any Amvet member or in the business establishments of the Village.

New Registration Record Forecast For County Area

Registration records in Riverside county are expected to be broken this year according to County Clerk G. A. Pequegnat who predicted Saturday that 60,000 men and women will be eligible to vote at the June 1 primary when the books close April 27.

Previous high mark in the county was in 1946 when 57,853 names were on the great register. This figure, it is believed, has already been passed. On March 1, Pequegnat said, 54,441 persons had registered and since then 3,000 more, at least, have signed.

In Palm Springs the registration on March 4 was 2818, highest in the city's record and with registration for the primaries open until April 27, Mrs. Louise McCann, deputy registrar, said this figure will be far surpassed for a new Palm Springs record.

All ruminants, or cud-chewing animals, such as the cow, sheep, antelope, deer, goats, and camels, invariably use their hind legs first in rising.

To avoid frequent painting of such surfaces as porch railings, which are subject to abuse, treat them with a coat of paste wax.

Pay no Fees

VA Manager Outlines
Provisions on Claims

"Veterans are not required to pay attorneys or agents for representing them in monetary claims against the Veterans Administration," it was announced last week by Earl F. Starkey, acting manager of the San Bernardino office of the VA.

Fees for such services, Starkey said, are payable only by the agency itself and are deducted from the monetary benefit due the veteran at the time the claim is allowed.

Fees are fixed by statute at \$10 for an original claim and \$2 for a claim to obtain increased benefits. Starkey said any agent or attorney who charges or attempts to charge any veteran for such services is subject to penal provisions of the law.

The average production worker in the state earned \$56.17 a week during 1947, compared with \$51.29 in 1946, \$55.21 in 1944 and \$28.64 in 1940. Hourly wage rates for industry production workers went up to \$1.42 in 1947. The 1946 rates were \$1.29.

Indio Date Festival
Publicized in Life

Indio's Date Festival made the Big Time last week when Life Magazine ran a series of pictures and an article on the event.

R. M. Fullenwider, secretary of the county chamber of commerce, who was instrumental in the success of the affair, was receiving congratulations this week for the publicity attained in the three-page spread.

Open Fifth Unit at Borrego Springs

Robert Ransom, president of the Borrego Springs company, Incorporated, sales agents for the new multi-million dollar desert community of Borrego Springs, this week announced the opening of Tract E, the fifth subdivision offered for sale to the public at the new, fast growing resort community located south of Palm Springs.

"In the first three days of sale, 24 per cent of the property available in the E unit were sold," Ransom said.
